MOBILE DEVELOPER

Zurich / Berlin – 21/01/2014

SUMMARY

On behalf of our client, a leading Internet Company located in Zurich and Berlin, we are currently accepting resumes for the following professional opportunity:

MOBILE DEVELOPER (ZURICH / BERLIN)

A Swiss company is searching for an experienced Mobile Developer, the position is offered both at the Headquarters in Zurich and at the branch in Berlin, some travel will be required.

COMPANY DESCRIPTION

Leading Internet Company located in Zurich and Berlin

YOUR RESPONSIBILITIES

- Maintain and develop mobile applications
- Work close with other developers, designers and product managers to invent, build, test and launch applications
- Collect functionality requirements and convert those requirements into elegant functional solutions
- Optimize applications performance and implement devices for specific user interfaces and experiences
- Contribute to the development of the next generation TV experience concept
- Development of the Software as a service platform and responsibility on what architecture and tools to use
- Developing new features in test-driven pair programming
- Increasing the algorithms of the software and improve the platform

YOUR PROFILE

- BS/BA degree in computer science or similar discipline. MS degree in computer science is a plus
- 2+ years proven experience in Android and/or iOS application development with excellent knowledge of the Android and/or iOS application framework
- Minimum of one successful application on the Android/iOS market
- Great work results/experience, interesting hobby projects, open source contribution, etc. that prove an outstanding software development talent
- Fluent in writing code (well documented) and experience in designing systems
- Used to work with remote teams in various locations and with multi-disciplinary teams and external partners. Outgoing, open minded, positive personality and self-confident
- Proficient in English. Fluent and written German would be an advantage

OUR OFFER

- Opportunity to work with the latest technologies
- Possibility to choose between two of the most advanced cities in Europe

- Annual salary not disclosed
- Full time and long-term contract!

CORE CONDITIONS

- Dutch, English and French.
- Up to 50.000€ annual gross wage long term contract
- Potential relocation support
- Much greater ability to influence big decisions at a start-up than in a traditional company
- People who thrive on driving projects and seeing them completed will love start-up work because they can see an immediate impact from their efforts
- In a start-up, you really have an opportunity to make a difference and be heard

ADDITIONAL CONDITIONS

- Booming IT industry in Berlin
- Enormous flow of venture capital and cash flow overall resulting in higher payrolls when compared to other industries operating in Berlin
- Low cost of living in Berlin
- Most companies use cutting edge technologies which is a bonus for developers seeking to gain experience and boost their CV
- Highly interconnected companies which easily supports the flow of employees
- Support for the candidate also in the future if he/she wishes to switch jobs
- Countless IT related events and fairs
