On behalf of our client, a leading Internet Start-up in Berlin, we are currently accepting resumes for the following professional opportunity:

SENIOR PHP DEVELOPER (BERLIN)

To expand and improve their e-commerce platform, our client is looking for talented developers who want to be part of their success story.

COMPANY DESCRIPTION

Leading Internet Start-up in Berlin.

YOUR RESPONSIBILITIES

- Development of new Software Design Patterns for innovative e-commerce modules
- Conception and development of an API for the above mentioned modules
- Connect the system to external APIs
- Development of database schemes (ERM)
- Development of extensions to the shop platform

YOUR PROFILE

- Ideally degree in IT or similar field
- At least 5+ years of experience in PHP development of web applications
- Extensive knowledge in PHP, MySQL, Zend (potentially Yii), jQuery, CSS3, HTML5
- Deep knowledge of interfaces and formats: REST, SOAP, XML, JSON
- Experience with development environments: SVN, Jenkins, JIRA
- Ideally experience with ERP systems
- Passion for database design, software architecture and efficient code
- Ability to showcase concepts graphically and communicate them to others
- Proficient in German and English, both written and spoken

OUR OFFER

- Rapid growth thanks to fast paced decision making and flat hierarchies
- Room for own ideas and responsibility to bring them to fruition
- Flexible and family friendly working hours
- Retirement plan
- Free drinks, regular team events and discounts on company products
- Annual salary not disclosed
- Full time and long term contract

CORE CONDITIONS

- Dutch, English and French.

- Up to 50.000€ annual gross wage long term contract
- Potential relocation support
- Much greater ability to influence big decisions at a start-up than in a traditional company
- People who thrive on driving projects and seeing them completed will love start-up work because they can see an immediate impact from their efforts
- In a start-up, you really have an opportunity to make a difference and be heard

ADDITIONAL CONDITIONS

- Booming IT industry in Berlin
- Enormous flow of venture capital and cash flow overall resulting in higher payrolls when compared to other industries operating in Berlin
- Low cost of living in Berlin
- Most companies use cutting edge technologies which is a bonus for developers seeking to gain experience and boost their CV
- Highly interconnected companies which easily supports the flow of employees
- Support for the candidate also in the future if he/she wishes to switch jobs
- Countless IT related events and fairs
